EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows: Cancel claims 38-43 and 51-54, non-elected without traverse.

The remaining claims have been renumbered as 1-47.

The following is an examiner's statement of reasons for allowance: While the prior art had known to combine cellulosic fibers with organic and inorganic man-made fibers in insulation products, the prior art does not show or suggest the use of cellulose fibers in such materials. It is further noted that applicant has demonstrated that the products claimed here have been widely adopted and have received awards which is evidence of non-obviousness. Note the appendices in the response filed 1/30/2007.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jenna Davis whose telephone number is 571-272-3357. The examiner can normally be reached on M-F 9:00-5:30.
